IS CALLED
TO BE A
FIVE-STAR
HARVESTER**

In Matthew 9, Jesus was surrounded with desperate needs. He healed serious illnesses, confronted evil, and even raised a young girl from the dead. After observing the state of His people, Jesus instructed His disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to **send out workers** into his harvest field." (vv. 36-38, NIV)

There are still billions of people in the world who have little or no access to the Gospel. Jesus clearly told His followers how to impact this crisis: Pray to the Lord of the harvest. Imagine the impact if we all joined together in this prayer that God would **Send Out Workers**.

**Is Your Church
a Five-Star Harvester?**

the five stars of
PRAYER

Becoming a five-star harvester starts with intentional prayer. We suggest:

- ★ The church is aware of and obedient to the commands of Jesus to ask the Lord of the harvest to raise up workers for the harvest, according to Matthew 9:35-38 and Luke 10:2.
- ★ The church makes the congregation aware of the harvesters supported through their tithes and offerings.
- ★ The church intentionally prays for harvesters during corporate worship, classes, mission teams, and meetings of elders and deacons.
- ★ The church demonstrates disciple-making principles, with prayer at the forefront.
- ★ The church advocates for harvesters and is active in sending and supporting them.

what's the
GOAL?

We pray for more workers, we mobilize our churches, but what's the goal?

The fulfillment of the Great Commission.

While you are waiting for God to raise up workers from within your church, consider that God might be answering the prayer for harvest workers in an unexpected way.

God is raising up harvest workers in countries around the world who are strategically placed to reach those who have never heard the Gospel. They are trained and ready - there just isn't funding to send them.

We can connect you with workers like Jacob from Rwanda, who only needs \$660/month to minister to Somalis in East Africa.
