

# PRAYING FOR HARVESTERS

## THE HARVEST IS PLENTIFUL!

- Ask God for an awareness of the where harvesters are still needed.
- Ask God to lead you to a knowledge of what needs to be done to finish the task.
- Pray God will break your heart for what breaks His.
- Pray for the 7,000+ people groups still wandering around in darkness.
- Ask that the Light of the World would shine into the dark places remaining around the world.
- Pray that God would speak to your church body concerning any part of the world He would want you to play a part in reaching.

## PRAY FOR THE WORKERS YOUR CHURCH SUPPORTS THROUGH TITHES AND OFFERINGS.

- Lift up each of these workers by name.
- Ask God to protect each one mentally, physically, spiritually, and emotionally.
- Pray that God would strengthen the marriage and family relationships of each worker.
- Ask God to provide special needs that these workers may be facing.
- Pray for an ever-deepening relationship between God and each worker.

## PRAY FOR MORE WORKERS.

- The workers are few. Approximately 40% of the world has no access to the Gospel. Pray for more workers who will go to places where the Good News has never been preached.
- Ask for workers who are resilient, persevering, and steadfast in prayer.
- Pray that the Church will be mobilized to go and to send.

## ASK THE LORD OF THE HARVEST TO SEND OUT MORE WORKERS INTO THE HARVEST FIELD.

- Approximately 95% of missionaries are currently serving in Christian lands. Pray for more workers who will go to lands where less than 2% of the population is Christian.
- It is God who raises up workers and sends them into the harvest fields. Jesus told us to ask Him to do that. Pray that the Church will obey this command to ask.
- Ask the Lord of the harvest to raise up workers who will go to the darkest, most, most desperate, most despairing, most destitute places on earth.
- Pray that those whom God calls will obey and go.

## PRAY FOR THE CHURCH TO DO ITS PART IN SENDING OUT WORKERS.

- Only .001% of all Christian income goes to the reaching of the unreached. Pray that the Church will focus its resources where the need is the greatest.
- Pray for churches to open their coffers with significant gifts for engaging the Church to reach the world.
